

**DEVON & CORNWALL POLICE AUTHORITY**

**URGENCY COMMITTEE**

The Urgency Committee has taken the following decisions since the last meeting of the Police Authority.

**Employer's Liability Claim**

Members agreed to a payment of £75,000 in full and final settlement of a claim against the Constabulary arising from an injury received as a result of defective equipment.

**Cycle to work, Government Initiative**

Members approved the financing of the Cycle Purchase Scheme from internal funds and waived interest charges in support of the 'Green' agenda.

**Internal Audit**

Internal Audit is currently provided under contract from Devon County Council. Recently, issues had been identified that put the provision of the high level of services currently provided by Devon County Council at risk and Members therefore agreed to bring the post of Internal Audit and Risk Manager in house.

**North Devon Community Support Unit (CSU)**

Members agreed to the acquisition of the freehold of a proposed Community Support Unit accommodation in Barnstaple, together with associated costs.

**Funding from Reserves**

Approval of projects and funding agreed by the Resources Committee on 26 July 2006: Police Helmet Cameras; ICT and legal fees.

**John Glasby**  
Treasurer
